

ADP® Earns Three Brandon Hall Group Learning Excellence Awards for Learning and Development

September 27, 2018

ROSELAND, N.J., Sept. 27, 2018 /PRNewswire/ -- ADP® announced it is the winner of three prestigious Brandon Hall Awards, further establishing ADP as an industry leader for its human capital management (HCM) programs and services surrounding learning and development.

ADP received one Silver Excellence in Learning award for Best Use of Performance Support, and two Bronze Excellence in Learning awards for Best Learning Team and Learning Program Supporting a Change Transformation Business Strategy. This esteemed awards program recognizes organizations that have successfully deployed programs, strategies, modalities, processes, systems and tools that achieved measurable results.

"We are honored to be recognized as an industry leader for our learning and development programs," said Andrea Elkin, Vice President of Enterprise Learning at ADP. "Through technology and innovation, our programs are transforming how companies are engaging their employees. At ADP, we continually provide programs that help employees grow and in turn, drive business results."

Brandon Hall Group analysts and executives – a panel of veteran, independent senior industry experts – evaluated the award entries based on the following criteria: fit the need, design of the program, functionality, innovation, and overall measurable benefits.

"Excellence Award winners personify innovation that drives business results. Our winners embrace the future and embrace change and the challenges that go with it," said Rachel Cooke, chief operating officer of Brandon Hall Group and head of the awards program. "It is amazing in reviewing these entries how organizations – both large and small – work across functions to make human capital management a valuable asset that enables business success."
