## RUN POWERED BY ADP® CROSSES 375,000 CLIENT MARK

### Innovative HR Enhancements, Access to 24/7 Live Client Support, and Ease of Use Continue to Attract Small Business Owners to Popular HR, Payroll Platform

ROSELAND, N.J., June 25, 2014 – [ADP®](#) today announced that more than 375,000 small business clients now rely on the intuitive [RUN Powered by ADP®](#) ("RUN") human resource management and payroll platform to help them reduce risk, enhance compliance, and improve cash flow.

"We built our RUN platform with small business owners and their employees in mind. We have been committed from the start to make RUN Powered by ADP the simplest, quickest, and most powerful cloud-based human resource management and payroll platform available," said Anish Rajparia, president of ADP's Small Business Services division.

The innovative features of RUN Powered by ADP help solve many of the HR and payroll challenges faced by small business owners, including:

#### *People Management:*

- **eSolutions** that include **eTimecard**, which helps simplify the tracking of employee time, and **eDelivery**, which enables electronic payroll delivery and anytime access to reports and payroll data
- **ADP Hiring**, which streamlines the hiring process by making it easier and faster to post jobs, screen applicants, and interview candidates
- **Document Vault** and **HR Tracking**, which enable clients to get centralized access to stored employee and company documents from the cloud and quickly access and track employee information

#### *Compliance:*

- **Employee Handbook Wizard**, which makes it quick and easy to create and update a customized state-specific employee handbook
- **ACA Dashboard**, which provides tools, reports, and useful links to help clients understand how the ACA impacts their business and employees

#### *Cash flow management:*

- **ADP® Payments for Small Business** that helps simplify and expedite billing and collections by allowing clients to invoice, collect and deposit payments automatically; and
- **Pay-by-Pay® Premium Payment Program for workers' compensation\*** which is a convenient program that can help your premium payments be more accurate—and forwarded to your carrier on time.

RUN Powered by ADP is backed by live, 24/7/365 client service to accommodate the demanding schedules of small business owners who often work well beyond 9 to 5, including night shifts, weekends, and holidays.

"I am out in the field almost every day. RUN has streamlined my work in the office dramatically and saves me enormous amounts of time that I can now devote to other areas of my business. Because of my schedule, I sometimes need service support in the evenings. It is great to be able to get such outstanding service whenever I need it," said Gabriella Boll, trip coordinator for Fort Lauderdale-based Florida Safari Adventures.

Rajparia added, "We have learned a tremendous amount from our more than 425,000 small business clients," Rajparia added. "Most importantly, we know that our clients went into business to fulfill a dream, not to process payroll, administer taxes, or manage HR. We are committed to making RUN Powered by ADP the payroll and HR platform of choice for small business owners so they can focus on growing their business."

The RUN HR and payroll platform is fully integrated with other available ADP small business products and services, including certain retirement plans, time and attendance solutions, Pay-by-Pay Premium Payment Program for Workers' Compensation,\* and a robust set of human resource tools.
