ADP Small Business Report: Small Business Employment Increased by 84,000 Jobs in July

ROSELAND, N.J. – July 30, 2014 – Private sector small business employment increased by 84,000 jobs from June to July according to the July *ADP Small Business Report*®. Due to the important contribution that small businesses make to economic growth, employment data that are specific to businesses with 49 or fewer employees is reported each month and broadly distributed to the public, free of charge. The *ADP Small Business Report* is produced by ADP®, a leading global provider of Human Capital Management (HCM) solutions, in collaboration with Moody's Analytics.
