

ADP Wins Global Payroll Supplier of the Year Award for the Second Consecutive Year

London, UK - 12 June 2023: [ADP](#), a global leader in HR and payroll, has proudly secured the esteemed Global Payroll Supplier of the Year award at the Global Payroll Association Awards 2023. This accomplishment signifies the second consecutive year that ADP has attained this highly coveted title.

The Global Payroll Association (GPA), the leading organisation supporting payroll professionals globally, annually recognises some of the outstanding achievements of businesses and individuals within the payroll community.

ADP was awarded Global Payroll Supplier of the Year 2023 in recognition of its excellence in supporting organisations with payroll services regardless of country, region or employee size. In particular, ADP was acknowledged for its relationship with its clients, many of whom provided glowing testimonials as part of the submission process.

ADP is a comprehensive global provider of cloud-based human capital management (HCM) solutions that unite HR, payroll, talent, time, tax, and benefits, and a leader in business outsourcing services, analytics and regulatory compliance expertise. ADP's experience, deep insights and cutting-edge technology have transformed payroll from a back-office administrative function to a strategic business advantage.

With an expansive global footprint, serving clients in more than 140 countries, ADP stands out from competitors based on its unique ability to serve clients with employees in multiple regions with the same level of service excellence, guaranteeing the best possible level of data security while ensuring the highest level of compliance.

"We are honoured to be recognised by such an esteemed organisation as the GPA for a second consecutive year. As a business, we continually strive to provide our clients with the very best service, meeting different market standards and compliance across the world, and this award acknowledges this," **comments Virginia Magliulo, President, Employer Services International, ADP.**

As an organisation, ADP's ambition is to challenge itself to anticipate, think forward and act in a way that empowers it to shape the changing world of work. Today, over 1 million companies worldwide rely upon its innovative payroll services to pay their people with ease and confidence in more than 140 countries.
